“Whenever I hear Cynthia Giles’ poetry, I’m most often moved in my spirit to tears. The passion, compassion, conviction, and love that comes through is palpable. What a gift!”

Cheryl Lutz: Securely Held LLC.

“I had the privilege of having Cynthia Giles perform a spoken word poem at a ladies conference sponsored by Securely Held LLC. She composed and presented an anointed poem on the restoration of the human spirit based on the marvelous Psalm 23. Her presentation exceeded my expectations. If you are looking for a Spirit-filled artist, I highly recommend, Cynthia Giles.”

Heather Petero Studios

“Cynthia is a gifted and natural speaker and her spoken word and poetry is dual in nature. Not only is it thoughtful, but it is thought-provoking. She addresses issues that affect us in our world, of the heart, and often times allows the listener to come to new conclusions and a sense of purpose gained through her inspired work. Even when her work is spiritual in nature, her message resonates with every listener that desires answers and fresh perspective on the world and life.”
